Hi Billy,

OPP IO provided edits/comments to our response to U.S. Rep. Debbie Murcarsel-Powell regarding the Oxitec EUP. I worked with Eric and Mike to address them. How does this look? I'll make sure to adjust the footnote numbers once you approve.

Thanks,

Maya,

Looks good to me. One minor edit near the end of the letter, change It's to It is.

Hi Mike,

Just a reminder to take a look at this. If possible, it would be good to move this back to OPP IO today.

Thanks,

Hi Eric,

OPP IO had several comments for the Murcarsel-Powell letter. I tried my best to respond to several of them, but I'll need your help verifying what I wrote was accurate. If possible, please review by EOD.

Thanks,
